Dear Mr. Silverman:

This acknowledges receipt today of your July 22, 2015 request for an extension of time to file exceptions to the Hearing Officer's Report and Recommendation on Objections in the above-captioned case.

Section 102.111(b) of the Board's Rules and Regulations states: "When the Act or any of these rules require the filing of a motion, brief, exception, or other paper in any proceeding, such document must be received by the Board or the officer or agent designated to receive such matter before the official closing time of the receiving office on the last day of the time limit, if any, for such filing or extension of time that may have been granted...A request for an extension of time to file a document shall be filed no later than the official closing time of the receiving office on the date on which the document is due.

**Requests for extensions of time filed within three days of the due date must be grounded upon circumstances not reasonably foreseeable in advance.**" (Emphasis supplied)

The due date for receipt of the Employer' exceptions is July 22, 2015. Your request for an extension of time to file exceptions was filed on the due date. The only reasons for the extension of time set forth in your request are: "Other pressing time constraints and need for time for client to consider whether to file exceptions." These stated reasons are insufficient to comply with the 3-day rule above because they fail to set forth any circumstances not reasonably foreseeable in advance. Accordingly, unless you provide this office today with a justification for why the extension of time request was not filed at least 3 days before the due date, your request will be denied and the exceptions will continue to be due today.

Very truly yours,

Henry S. Breiteneicher  
Associate Executive Secretary
